Enrolment

Regardless of your nationality, you may apply for a reduction on the yearly enrolment fees if you meet enrolment and need requirements, including those lacking financial resources, have the right of access to higher education.

The University of Macerata (UNIMC) offers 10 scholarships to international students who wish to enrol in the first year of a master's degree (2-year postgraduate degree program).

Each scholarship amounts to €1,080,00 €.

To be considered as an international student, you need to hold a valid qualification for access to a master's degree program, obtained outside the Italian educational system.

To verify your eligibility for a scholarship, you need to fill in the call for scholarships published on the university website for the current year 4.

The winners of the call for scholarships will be announced on the website within one month of the closing date.

Fees of the three-year and single-cycle degree courses are not covered by the benefits of the Erdis scholarship. To be awarded, the scholarship must be renewed annually for each year of enrolment.

For further information, please contact the International Relations Office at the University.
