

ERUA Anthem

When i want to open myself
'cause Europe offers so much
I know where to call
ERUA

When i want to think and explore
'cause research gives me the rush
Application's open
don't sleep on it, don't be shy

WAKE UP, (it's) ERUA, ey! x4

Go far, bring us closer
Come back, it's not over
Watch out, stay connected
Your chance, don't you waste it

Even though I sometimes feel small
I love to play my own part
In difference we're so big
ERUA

Open up my mind
Free my thoughts and let them fly
Watch them rain all over
Eyes wide open
Don't sleep on it, don't be shy

WAKE UP, (it's) ERUA, ey! x4

Go far, bring us closer

Come back, it's not over
Watch out, stay connected
Your chance, don't you waste it

E to the R to U to the A
You go all the time, but you still want to stay
A to the U to the R to the E
There's place for us all, so take part with me

When i want to open myself
'cause Europe offers so much
I know where to call
ERUA

WAKE UP, (it's) ERUA, ey! x4

Go far, bring us closer
Come back, it's not over
Watch out, stay connected
Your chance, don't you waste it

WAKE UP, (it's) ERUA, ey! x4

Go far, bring us closer
Come back, it's not over
Watch out, stay connected
Your chance, don't you waste it
