

TEMPLATE FOR ADVERTISING RESEARCH POSTS

based on indications given by par. 4.4.1 of the
"Report of the Working Group of the Steering Group of Human Resources Management under the
European Research Area on Open, Transparent and Merit-based Recruitment of Researchers"

Recruiting Department/Research Unit: Department of Political Sciences, Communication and International Relations

Title: Physical, mental and social wellbeing in cases of trauma and gender-based violence

Offer description:

The research project aims to develop the value of physical, mental and social well-being with a focus on trauma related to situations of abuse and gender-based violence. The objective is to create diversity management tools for educational institutions, such as schools and universities, and preventive measures to combat forms of abuse and violations in the broadest sense. As part of the Proben programme, the project involves conducting a qualitative survey of a representative sample of the university student population and developing innovative awareness-raising tools replicable at the national level.
