

TEMPLATE FOR ADVERTISING RESEARCH POSTS

based on indications given by par. 4.4.1 of the
"Report of the Working Group of the Steering Group of Human Resources Management under the
European Research Area on Open, Transparent and Merit-based Recruitment of Researchers"

Recruiting Department/Research Unit: Department Education, Cultural Heritage and Tourism

Title: Promoting an inclusive university environment: pathways to active participation

Offer description:

The research will focus on pedagogical interventions to promote inclusion and address the special educational needs of male and female students, aiming to strengthen their capacity for self-determination and to promote projects that can provide opportunities for participation in university life and relationships with others. The research pathway will include:

- Research surveys from the scientific student's voice approach to promote innovative university policies;
- Experimentation of inclusive pedagogical interventions to support self-determination and personalization of the university study method thanks to new technologies, with special attention to students/ae with special educational needs and at risk of psychological distress;
- Evaluation of the social impact of activated interventions and scientific dissemination of results.

Researcher career profile:

- *R1 First Stage Researcher (up to the completion of PhD)*
