PagoPA – Voluntary Payments for Students Abroad

The University has activated the payment of university fees through the "PagoPA" mode, a system created by the Agency for Digital Italy (AgID) to make payments to the public administration easier and safer.

For students who are abroad, payment must be made using the voluntary payments service with the Unimc Payment Portal.

In order to proceed with the payment it is necessary to be in possession of the PagoPA payment notification code or the IUV code (unique identifier) and available in the student reserved area, the payment can be made by credit card, paypal etc.

This guide gives operating instructions.
Connect to the [https://studenti.unimc.it](https://studenti.unimc.it) website and click on “Menu” icon located on the top right.
After opening the menu click on "Login" to log on.

Enter your login credentials.
If you’re a former student of ours and you already have other course of studies in our database, you’ll be offered a list of them.

Select the course with “Active” Status and click on “Seleziona” button.

Obviously the "Choose course of studies" page isn’t offered if you’re a new student.

On the summary page of fees and payments, you can see the **IUV code** of the notice to use to make a voluntary payment in the [Unimc Payments portal](#).

If you wish to retrieve the **PagoPA notification code** click on the invoice number to view the detail information (in the example 1837564).
On the summary page, press "Stampa Avviso per PagoPA" to save or print the payment notice in which it is possible to recover the code of the notice itself.
