2. The University of Macerata complies with the European Researchers’ Charter and Code of Conduct for the employment of researchers outlined at https://www.unimc.it/it/ricerca/hrs4r/hrs4r-human-resources-strategy-for-researchers.

3. According to Ministerial Decree No. 226/2021, the activation of the PhD programmes is subjected to accreditation on the part of the Italian Ministry of University and Research. Winners of the selection will be able to enrol only after the above-mentioned successful verification.

4. The following positions are available in this call for application:
   - positions with scholarship funded by University of Macerata;
   - positions with restricted research topic scholarship funded by University of Macerata;
   - positions without scholarship reserved for Public Officers in an Italian Administration, who obtain leave with salary maintenance.

5. The available positions for each PhD programme are detailed at the link: https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi.
6. The tables of each PhD programme, published on the webpage https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi, are integral parts of this call and specify the Coordinator, the research topics, the scientific areas, the criteria for preliminary assessment, for the interview and any further specific requirements/obligations for each course.

7. The attendance of PhD programmes lasts three years, from November 1st 2023 to October 31st 2026.

8. This call for application is an official notification in full. Any changes, updates or additions to its content will be made known, exclusively, with the publication on the website: https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi.

Art. 2
Admission requirements

1. Regardless of gender, age, religion or nationality, can participate to the selection who owns a Laurea (in compliance with Italian laws existing prior to Ministerial Decree No. 509/99), or Laurea Specialistica / Magistrale / a ciclo unico or a second level degree awarded by an AFAM (Alta Formazione Artistica e Musicale) institution or, alternatively, who owns an equivalent non-Italian qualification (Master’s Degree) awarded by a foreign university, if that qualification is judged eligible for the selection by the Selection Board.

2. All applicants have to upload, in the online application, a copy or a self-statement of holding Italian academic qualifications with the list of exams taken, or a copy of both Bachelor’s and Master’s degrees which have been obtained abroad with the list of exams taken. In case of foreign degrees, the applicant also has to upload the translations, into Italian or English language, with any further documents useful to evaluate the eligibility of the degree to the selection (e.g. Diploma Supplement, Declaration of Value, etc). All candidates are provisionally admitted to the selection and will be excluded from the selection and from the PhD programme if their qualification does not fulfill the formal entry requirements of the third level research programmes.

3. Students who obtain the degree stated in the par. 1, before the date of matriculation for PhD programmes, may submit their application not later than 31st October 2023. In this case, admission to the competition is conditional and any enrollment is regulated in accordance with the provisions of the following art. 6 par. 3.

Art. 3
Application

1. Applications shall be submitted, either in Italian or in English language, online only at https://pica.cineca.it/unimc/dott-2023-01/, no later than 1 p.m. (Italian time) on August 7th 2023, with a copy of a valid identity document (identity card or passport) and the copy of the payment receipt of €15.00 as non-refundable fee for applying to the selection. Possible applications submitted in a different way will not be considered.

2. The non-refundable fee for applying to the selection have to be paid through the PagoPA system, which is available in the website Portale dei pagamenti UNIMC, in the following way:
   
   Mode: Voluntary Payment
   
   Payment reason: Research doctorate expenses contribution – participation in the competition announcement
   
   Reason: Concorso ciclo XXXIX – Surname and Name of the applicant

Under any circumstances, the aforementioned application fees are not refundable.
3. Applicants who do not complete the online application by the deadline, who do not state the university degree as affirmed in the art. 2 par. 1, or do not enclose their ID (identity card or passport) nor enclose a copy of the payment receipt of the application fee, will be **excluded** from selection.

4. In the context of this call, it is not possible to send multiple applications for the same PhD course. In the event that this occurs, **only the last application received in chronological order will be considered valid**.

5. To apply for different PhD programmes, the applicant must create several different accounts and submit separate applications, enclosing all required documents and paying the non-refundable application fee for each application.

6. Public Officers in an Italian Administration who want to apply for reserved positions without scholarship must indicate that choice specifying it in the online application form.

7. Those who intend to apply for a place with a scholarship must never have benefitted from a scholarship for a PhD programme, not even partially. This condition must be self-certified in the application form.

8. When completing the application, it is necessary to select one of the topics proposed for the type of position you are interested in, as indicated in the relative course profile.

9. For those who intend to apply for a position with scholarship or a position without scholarship, reserved for civil servants, the topic freely chosen for the presentation of the application will not be binding to the topic to be developed during the three-year PhD period, which will be assigned by the Teachers’ Board after enrollment.

10. Those who, on the other hand, apply for a restricted research topic, in the event of winning, will necessarily have to develop the topic for which they applied, during the three-year period of the programme.

11. Candidates must pay particular attention to drafting, when completing the application, a research project hypothesis relating to the selected topic.

12. The qualifications, publications and any other required document must be presented in electronic .pdf format and attached exclusively to the online application.

13. Except as provided for the access title to the previous art. 2 par. 3, the other qualifications presented must have been achieved within the deadline of this notice.

14. **It is not possible to modify or supplement the application after its submission.**

15. All of the communications concerning this call are shown on the website [https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi](https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi). Communications pertaining to a single candidate will be sent to the email address which they have stated in the application form.

16. The University will not be held responsible for problems related to technical failure and/or overload of communication and/or information flow, or for its failure to communicate with candidates due to an incorrect email address provided by a candidate, or for any other problem or delay caused by third parties, unexpected occurrences or unforeseeable circumstances.

17. The verification of the validity of the applications will be carried out by the Administration after the expiry of the term established in par. 1 of this article. In case of non-admissibility of the application or exclusion from the competition procedure, the candidate will be notified by e-mail. The Administration reserves the right to order checks on the truthfulness of what is declared in the application form. Anyone who issues false declarations is punished in accordance with current legislation on the matter.

**Art. 4**

**Selection Boards**

1. The Selection Boards for the competition for admission to the PhD courses are appointed, upon designation by the Academic Board, with a provision from the Rector and are made up of professors and/or university
researchers. The presidency of the Commissions is assumed by the Coordinator of the PhD course or by his delegate.

2. The nomination provisions of the Selection Boards will be available, after the deadline of the call, at web page https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi.

Art. 5
Selection

1. The admission to the PhD programme takes place passing a selection procedure for qualifications and exams that aims to verify the preparation, the ability and the aptitude for research of the applicant.

2. Each application is preliminarily assessed by a Selection Board, which decides if it is or is not to be admitted to the interview, stating a reasoned judgment.

3. Results of the aforementioned preliminary assessment, in connection with each PhD course, is published on the admissions website: https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi.

4. The posting of the exam schedule on the above website will be the official notification for calling those applicants who have been admitted to the interview. So, the candidates are invited to the exam, without further notice, on the day and time advertised on the website https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi, and are to bring a valid ID document.

5. A failed presence at the interview will be considered as a waiver of the selection.

6. In accordance with national regulations and with the implementing provisions issued by the University, without prejudice to any further and different provisions, which will be promptly published on the aforementioned website, the interviews will take place face-to-face, on the date and location indicated on the website at address https://www.unimc.it/it/dottorato-di-ricerca/admission-to-corsi.

7. A video conferencing interview is admissible only and exclusively in case of candidates are resident or domiciled outside Italy, by requesting this option in their application.

8. The admitted candidates will be examined by a Selection Board which will proceed to assess the relevance of the qualifications presented, the training profile, skills, experience and aptitudes with respect to the project proposal and also to ascertain the knowledge of the languages indicated in the application for participation.

9. At the end of the interview candidates will receive a mark on a scale of 1 to 10, and the selection process will be deemed successfully passed if candidates receive a mark of at least 7 or above. In the event of equal marks, priority will be given to the youngest candidate.

10. The Selection Boards will formulate separate rankings for each type of position envisaged.

11. The final ranking list of successful suitable candidates for each PhD programme is endorsed by Rector’s Decree and published on https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi, thereby serving as official notification to applicants.

12. The suitable candidates in the number of established positions are declared winners and admitted to the doctoral programme in accordance with the ranking order.

13. If there are no applications or there are no suitable candidates in the number envisaged by this notice for a specific type of spot, this position will remain unassigned.

14. In the case of successful placement in more than one ranking in the same selection session, the candidate will have to choose a single PhD programme through the enrolment in that one.

15. The awarding of scholarships for specific research topics requires particular requisites and obligations, as stated at Art. 3 par. 10, and the consequent acceptance by the winners requires to carry out that specific research topic and to conduct the planned research activities.

16. Winners who already hold research grants are admitted to PhD courses without a scholarship.
17. At the end of the selection process, all the candidates will receive a copy of the assessments of their candidacy by the relevant Selection Board, including the outcomes of their initial selections and interviews, in compliance with the principles outlined in the European Researchers’ Charter.

Art. 6
Registration to PhD programmes

1. In order to complete enrolment to the PhD programmes, students are required to:
   a) login at https://studenti.unimc.it/Home.do and submit the enrolment form, within the deadline indicated in the decision approving the competition documents;
   b) proceed with the payment of the first installment of the foreseen fees and/or contributions (Piano tasse), within the deadline indicated for enrolment;
   c) upload in the Allegati section of the enrolment form, the documents listed below:

   • Dichiarazione del percipiente (all scholarship winners)
   • Copy of the ISEEU 2023 declaration or ISEE for PhD programme 2023 declaration (all scholarship winners, who wish to take advantage of the reduction of the second installment of taxes)
   • Copy of residence permit or copy of the request for obtaining residence permit (only non-EU citizens)
   • Copy of a health insurance (private or Italian National Health Service) (only non-Italian citizens)

2. The enrollment of successful candidates, as nominated in the final merit ranking, must be completed, under penalty of exclusion, within the deadline indicated in the provision for approval of the merit ranking, which will be published on the website https://www.unimc.it/it/dottorato-di-ricerca/ammissione-ai-corsi.

3. Failure to obtain the admission title within the terms established in art. 2 paragraph 3, implies the non-admissibility to the PhD course and therefore the impossibility of proceeding with the matriculation.

4. The aforementioned winners will not receive any other notice regarding the enrolment deadline.

5. If a winner does not enrol within the stated deadline, their standing in the Programme will be forfeited.

6. If a scholarship winner waives the above entitlement, either expressly or tacitly, the scholarship will be offered to the next successful candidate in the final ranking list.

7. Receipt of the enrolment form by the University of Macerata and payment of the tuition and/or fees due, by the deadline, are both necessary for the purpose of accepting the place, on penalty of exclusion.

8. Under no circumstances will the refund of taxes and/or enrollment contributions already paid be allowed.

9. Enrollment in a research doctorate course is compatible with simultaneous enrollment in university study courses pursuant to Law n. 33 of 04/12/2022.

Art. 7
Further fulfilments for candidates with foreign qualifications and visa applicants

1. Winners with admission qualification obtained in non-EU countries, who have not already provided, when submitting the application to participate in the competition, a document useful for the purpose of declaring the authenticity and equivalence of the second level qualification obtained (e.g. Diploma Supplement, Dichiarazione di Valore issued by the Italian diplomatic authorities in the country where the qualification was obtained, certificate of authenticity and comparability issued by centres such as ENIC-NARIC), they will have to provide this documentation during the enrollment phase (in the “Allegati carriera” section “”) or in any case within two months of the start date of the course.
2. The University reserves the right to request the declaration of authenticity and equivalence also for qualifications obtained in EU countries, and to request the presentation of the original documentation.

3. Candidates in possession of a foreign qualification who do not present the required documentation at the time of submission of the application for admission to the competition or enrollment are enrolled with reserve and will subsequently be excluded from the doctoral course, with the obligation to return the months’ salaries any scholarship received, if they fail to show such documentation or, following verification, the qualification produced does not comply with the requirements of art. 2.

4. After completing the enrollment, candidates who need a visa to stay in Italy must register on the Universitaly portal, make a "pre-enrolment application" for the doctoral course and follow the procedure indicated therein for the purpose of issuing a visa. Upon arrival in Italy, it is also required to promptly send the following documents to scuola.dottorato@unimc.it, for the purposes of payment of the scholarship:

   a) valid residence permit. Those who do not have one must request it within 8 days of arriving in Italy following the procedure indicated on the University Portal and send a copy of the insured receipt issued by the Police Headquarters;
   b) tax code, issued by the Italian Revenue Agency. Those who do not have one must request it by following the instructions on the University Portal.

Art. 8
Scholarships and other fundings

1. The amount of the scholarship for attending doctoral courses, set by the D.M. no. 247 of 02/23/2022, is equal to a gross annual recipient of € 16,243.00.

2. The assignment of the scholarship implies enrollment in the INPS Separate Management, pursuant to art. 2 par. 26 of the Law n. 335 of 08/08/1995, and the provisions of art. 4 of Law no. 476 of 13 August 1984.

3. The scholarship cannot be combined with the payment of research grants, nor with other scholarships of any kind, except those granted by national or foreign institutions useful for integrating training and research activities with stays abroad of fellows.

4. The assignment of the scholarship is annual and is confirmed, after passing the verification tests for admission to the following year, by the Academic Board.

5. The amount of the scholarship is increased by 50% for carrying out research activities abroad, authorized by the supervisor, for a total period not exceeding twelve months.

6. To carry out the research activity in Italy and abroad, each PhD student is guaranteed an annual budget of no less than 10% of the scholarship amount, pursuant to art. 9 par. 4 of the Ministerial Decree 226/2021.

7. Doctoral students without a scholarship benefit from a grant for international mobility by way of reimbursement of expenses incurred in carrying out activities abroad, for a maximum period of twelve months.

8. The fruition of the scholarship excludes the establishment of a subordinate employment relationship with the University.

Art. 9
Regional scholarships for the right to study

1. Candidates for the competition for admission to the PhD courses can compete for the attribution of the
benefits of the Regional Authority for the Right to University Study (ERDIS), according to the provisions set out in the specific ERDIS calls, available at https://erdis.it/.

Art. 10
University fees and tax

1. The amount of the fees (Regional tax for Access to Higher Education, public liability insurance premium and stamp duty) and the amount of the annual contribution (COA) due for attending PhD courses are published on the webpage https://www.unimc.it/it/dottorato-di-ricerca/dottorandi/iscrizioni-e-tasse.

2. The amount of the annual contribution (COA) depends on the amount of the student’s ISEE for Doctoral programme (Financial Revenue Status Index), in accordance with Regolamento in materia di contribuzione studentesca, available at https://www.unimc.it/it/ateneo/normativa/regolamenti-di-ateneo/didattica-e-studenti.

3. In line with the Stability Law of 2017, para. 262 (Law No. 232 dated 11th Decembere 2016), research students who have not been granted any scholarship are exempted from paying enrolment fees, though they are required to pay the regional tuition for Access to Higher Education, public liability insurance premium and stamp duty.

4. Are exempted from paying the amount of the annual contribution (COA) students who:
   a) obtain or are eligible for ERDIS grants;
   b) are in a condition of disability, recognized by law, equal to or greater than 66%;

5. A forfeiture following enrolment or dropout from the PhD programme offers no entitlement to any reimbursement of tuition and fees paid.

Art. 11
Personal Data Processing

1. According to the Art. 13 of 2016/679/UE - GDPR, notice is hereby given that the University of Macerata is committed to respecting the confidential nature of the information provided by candidates: all personal data will be processed only for the purposes connected to and instrumental for this call, according to existing laws.

2. The Data Controller of personal data is the University of Macerata, with headquarters in Macerata, via Crescimbeni nn. 30-32, in the person of the Magnificent Rector as Legal Representative. The Data Controller can be contacted at urp@unimc.it or at the PEC address ateneo@pec.unimc.it.

3. The Data Protection Officer, appointed pursuant to Article 37 of the GDPR, operates in conjunction with the Data Controller. The Data Protection Officer can be contacted at the following email address: dpo@unimc.it.

4. All selection process records are public. Under Law No. 241 dated 7th August 1990, whoever has a legally relevant interest is entitled to legally exercise the right to access said records within 60 days of their approval.

Art. 12
The Officer in Charge for the administrative procedure

1. Pursuant to Law no. 241 of 07/08/1990 and subsequent amendments, Dr. Giovanni Gison, Scientific Research Area and PhD Office, via Don Minzoni, 17 – 62100 Macerata (e-mail: scuola.dottorato@unimc.it; PEC: ateneo@pec.unimc.it).
Art. 13
Final Provisions

1. Doctoral students are required to observe the provisions of the Code of Ethics of the University of Macerata, (D.R. n. 254 of 07/05/2012).

2. For anything not covered by this notice, please refer to the Regulation containing the procedures for accrediting doctoral locations and courses and criteria for the establishment of doctoral courses by accredited bodies (Ministerial Decree n. 226 of 12/14/2021) and to University PhD Regulations (R. D. No. 81 of 01/03/2023).

| 3) **Draft the project statement in English according to the following table of contents (max 2,000 words in 14,000 characters including spaces):** |
| a) Title  
b) Topic  
c) Background (What is the motivation for this PhD proposal? What topics and challenges will be addressed? Why are these topics of relevance (or interest)? Describe concisely the state-of-the-art. What will the PhD proposal address that goes beyond the state-of-the-art?)  
d) Objectives (what does the PhD proposal intend to investigate and/or prove? Why is this line of research original and salient in the field? Why the objectives pursued are relevant for the issue investigated?)  
e) Research Methodology (Is there a particular method that will lead the research? How does it work? Why is this methodology suited?)  
f) Work Plan and Timeline (Provide a six-month outline of how you will complete the work within the time scheduled (the PhD programme takes three years)  
g) References (bibliography used in the state-of-the-art and all the relevant sources to explain the proposal) |
| 4) **Prove English language proficiency as follows:**  
either a) demonstrating to be an English native speaker;  
or b) holding a master’s degree in English as the medium of instruction.  
If the candidate does not meet any of these language requirements, an English proficiency certificate is appreciated proving a C1 level (Effective Operational Proficiency) as stated by the Common European Framework of Reference for Language («the ability to communicate with the emphasis on how well it is done, in terms of appropriacy, sensitivity and the capacity to deal with unfamiliar topics»).  
Cambridge English: Advanced (CAE) or Proficiency (CPE), TOEFL (100/120 internet-based) and IELTS (8/10) will be considered. Other certificates may be taken into account. |
| 5) **Motivation letter**  
Fill the section *Why do you plan to attend graduate school?* in the application form |

Critical presentation and discussion of research project; assessment of knowledge related to the research topic indicated; foreign language proficiency.

During the discussion **basic knowledge of mathematics, statistics, programming and economic policy** will be tested; on the basis of the scientific project presented, specific knowledge of varied curricula may be tested.

**Reference bibliography:**

**1. Originality and logical development of the project in relation to the chosen research topic**

**2. Assessment of training and work profile even outside the university**

**3. Experience of national and international mobilities congruent with the candidate’s curriculum and the submitted project.**

**4. Assessment of candidate’s motivation.**

**Basic knowledge of mathematics, statistics, programming, analysis and economic policy.**

The QMPE Ph.D., well aware of the notable gender gap present in the STEM, in the technical disciplines and in data science, turns its full attention so that the process of selecting candidates shall guarantee gender equality and take place in the absence of any form of discrimination based on social class, gender, sexual orientation, religion or ethnicity.

**Lessons attendance of your own curriculum, and of QMPE programme’s other curricula and lessons attendance of the PhD School (for the number of credits established by the guidelines).**

Enrollees in the second or third year must spend a minimum six-month period abroad at Universities or Research Centers.
