Memorandum of Understanding

This Memorandum of Understanding (‘MoU for short) is entered upon between the University of Jammu, Jammu, with its headquarter at Jammu (India) (hereinafter to be referred as ‘UoJ’) and the University of Macerata with its headquarter in Italy (hereinafter to be referred as UNIMC).

Whereas, both the Universities are desirous to promote academic cooperation and bilateral relations between the two universities;

Whereas, with the aforesaid objective in mind, both the Universities hereby agree to the following Articles of Academic Cooperation and Bilateral Relations between themselves:

Philosophical Intent

a. The primary objective of this MoU is the development of cooperative efforts between UoJ and UNIMC which will enhance the academic and research interchange between the two institutions. Recognizing the importance of mutual collaboration and the contributions to society made by institutions of higher education, the parties desire to promote exchange of the faculty and students (as permitted under rules) of the two institutions as well as the exchange of academic and research information.

b. Specific projects in an area of educational or research interest will be selected as a result of coordination by UoJ and UNIMC at the appropriate administrative level in each institution. As these projects are developed, each will require a specific written agreement to be made in advance, setting forth the terms and conditions thereof and executed by authorized representatives of both parties. The Vice-Chancellor of the University of Jammu being the Principal Executive and Academic Officer of the University is the authorized signatory for UoJ and the Vice-Chancellor of the University of Macerata is the authorized signatory for UNIMC.

Article 1

Objectives

The MoU, while seeking to facilitate the broader academic objectives of each institution and to promote better understanding between its academic communities, shall strive towards the following among others:

a. Enhancing learning in the global context that promotes an understanding of each other’s perspectives and strengthen national and international consciousness;
b. Providing liberal and humane education to the brightest and the most dedicated students so that a new class of quality leadership is nurtured;

c. Contributing to increase of knowledge about the rich cultural heritage of the region while respecting diversity through research and promotion works of literature, folklore, performing arts, fine arts, diminishing arts, the classical literatures and arts as also of traditional knowledge systems and the dissemination of the same.

**Article 2**

**Areas of Cooperation**

a. Both parties will, in order to achieve objectives, set out in Article 1, jointly develop collaborations/work plans that describe more specifically the activities to be carried out from time to time.

b. Both parties will, while developing collaborations/work plans, take into account their mutual areas of interest, their expertise and facilities, availability of funds and feasibility for sustained implementation.

c. The envisioned areas of cooperation and collaboration may be as follows:
   i. Faculty Exchange/Visiting Scholars between *UoJ* and *UNIMC*;
   ii. Short Term Student Exchange programs, e.g. Semester Exchange;
   iii. Summer/Winter School Programs for Students;
   iv. Study Abroad Programs for Students;
   v. Collaborative Research and Publications;
   vi. Organizing and Hosting Joint Conferences;
   vii. Joint Teaching Arrangements;
   viii. Such other Programs as the two universities may decide by mutual consent.
   ix. Special short-term academic programs;
   x. Exchange of administrative personnel;
   xi. Joint cultural programs.

The above shall, however, be subject to the rule position of each University/Institution.

**Article 3**

**Implementation**

a. The terms of the specific research collaboration/programs or work plans and its funding mechanisms under this MoU shall be mutually discussed and agreed upon in writing by both the parties prior to its initiation.
b. Each party shall designate a Coordinator/Liaison Officer to develop and coordinate specific activities or programs.

Article 4

Funding and Finance

a. Both parties shall decide their funding mechanism as may be agreed through mutual consultations and discussions.

b. Both parties shall attempt to, jointly or independently, explore funding from third parties i.e. Governmental or non-Governmental funding agencies.

c. As a general rule and unless otherwise agreed, the Host University/Institution will explore possibility of meeting the travel and other incidental expenses, such as, accommodation, local transport, boarding and logging facilities for faculty, students and staff for academic exchange programmes, subject to such terms and conditions as may be agreed by the parties to this MoU from time to time.

Article 5

Academic Exchange Requirements

In case of academic exchange programs, specifically with regard to student exchanges, Host university/institution will have the right to accept or reject the nomination based upon its policy and also based upon the suitability of the academic qualifications of the student to be nominated for such programmes.

Article 6

Intellectual Property Rights

a. Unless otherwise specifically agreed to in writing, all rights, title and interests in any studies, reports, data sets, research and other materials conducted on a joint/collaborative basis based on the present MoU shall belong to both parties.

b. Publications and research outcomes jointly produced by both parties shall be disseminated, or published upon mutual agreement. Prior to publication or dissemination of the joint/collaborative research outputs both parties shall decide upon obtaining appropriate intellectual property rights after mutual consultation and after recognizing the rights of collaborating institutions and donors, as the case may be.

c. Either party may terminate the agreement subject to six months written notice to the other party but without prejudice to any commitments made to students or faculty who have already been offered a place in either university and agreed for research or conference, etc.
Article 7

Institutional Autonomy

Nothing shall diminish the autonomy of either Party, nor will any constraints or financial obligations be imposed by either Party upon the other, in executing MoU, unless otherwise mutually agreed to.

Article 8

Use of Name and Emblem

Neither party shall use the name, emblem or trademark of the other party, or any of its subsidiaries, and/or affiliate, or an abbreviation thereof, without the express prior written approval of the other party in each case.

Article 9

Amendments and Interpretation

a. The MoU may be amended by both parties by mutual consent through exchange of written communications/letters by designated competent authorities as per their rules and regulations.

b. Any amendment effected through above procedure shall form an integral part of the MoU.

c. Any difference in interpreting or working of the MoU shall be resolved through mutual consultations.

Article 10

Dispute/Arbitration/Jurisdiction

a. In the event of any dispute/difference, whatsoever arising between the parties to this MoU, the same shall be settled amicably by the signatories to this MoU or by their authorized representatives.

Article 11

Final Clauses

a. The MoU shall come into effect from the date of signature by the competent designated authorities of the respective institutions/universities.

b. The MoU shall remain in force for a period of five years from the date of its initial execution, unless otherwise agreed by the parties.

c. The MoU can be extended for such further period, as may be mutually agreed by the parties.
In witness thereof the authorized representatives whose names are shown below have signed this MoU in two original copies in English on behalf of their respective institutions/universities at the place and on date mentioned below.
